

SA Drive Plan Guide

TLC for your four-wheeled friend

Your car's services sorted

SA Drive Plan is a service plan that provides for specified services and parts that your car needs. This plan runs for a set period of time (e.g. 3 years) or for a fixed number of kilometres (e.g. 45 000 km)*, whichever happens first. To ensure your plan stays intact, service your car as per your car manufacturer's specifications. This is the first step in taking care of your car.

*Km interval depends on the manufacturer's service schedule

You get convenient payment options so that you spend less time worrying about the costs of taking care of your car and more time enjoying the open road.

How do I benefit?

- Only genuine parts are used
- Qualified technicians will service your car
- Approved dealerships

Roadside Assistance* is included in the SA Drive Plan to ensure you are never stranded next to the road. We'll help when you need towing, a tyre change, a jump-start or or have a key lockout.
